

ADAM HOCHSCHILD

Author of KING LEOPOLD'S GHOST

BURY THE CHAINS

The British Struggle to Abolish Slavery

Critical acclaim for
KING LEOPOLD'S GHOST

'Brilliant . . . this book must be read and re-read'

NEAL ASCHERSON

'A hundred years ago, enlightened people in the western world were outraged by a holocaust in Africa which left millions dead. Denunciations thundered from speakers' platforms around the US and Europe. One open letter to *The Times* was signed by twelve peers, nineteen bishops and seventy-five MPs. Viscount Grey, Britain's foreign secretary, declared that no overseas issue had so intensely aroused the British public for thirty years. Conan Doyle wrote a pamphlet on the Congo atrocities which sold 25,000 copies in the first week alone. Yet today not one person in a thousand could say what the fuss was all about, unless, of course, they have read this amazing book'

TARIQ ALI, *Financial Times*

'Fascinating . . . brilliant and gripping'

Mail on Sunday

'An exemplary piece of history writing: urgent, vivid and compelling'

Literary Review

BURY_{the} CHAINS

THE BRITISH STRUGGLE
TO ABOLISH SLAVERY
